

Edinburgh Hacklab Membership Application Form

Thanks for your interest in joining Edinburgh Hacklab! Membership is just £25 per month and gives you these awesome benefits:

- 24 hour access to the lab
- 35L storage box at the lab for your projects
- a say in how Hacklab is run – you'll be part of the discussions and have voting rights at meetings

As membership includes 24 hour access to the lab and our equipment we want to be a little careful about who becomes a member (don't worry though, it's easy!). Simply apply for membership with this form. The members will review your membership application and then give you an aye or nae.

We don't accept applications from people that we don't at least know a bit – come along to a couple of open nights, sign up to our discuss mailing list and get to know us first. You need to have met three members willing to vouch for you.

How do I become a member?

Complete this form and hand it to a member, we'll get in touch with you about how to pay to your membership subscription of £25 per month (we prefer bank transfers and will give you the details). Membership is restricted to over 18s, but we have no other limits or restrictions.

Real name: _____ (e.g. Charlie SMITH)

Email address: _____ (In block letters)

Members will be subscribed to our members-only mailing list

Street address *: _____

Phone number *: _____

Here, tell us a wee bit about yourself. Just a couple of lines that we'll send to our members mailing list to help them identify you when they're looking at your application:

Any questions or problems, drop us an email at info@edinburghhacklab.com and we'll get back to you!

* required for Summerhall access cards
